1. Tampilan

The screenshot shows a Java Swing window titled "Aplikasi Biodata Mahasiswa". It contains two main sections: "Input Data" and "Output".

Input Data:

- NIM: 20240040073
- Nama: Luqmanul Hakim
- Program Studi: Teknik Informatika

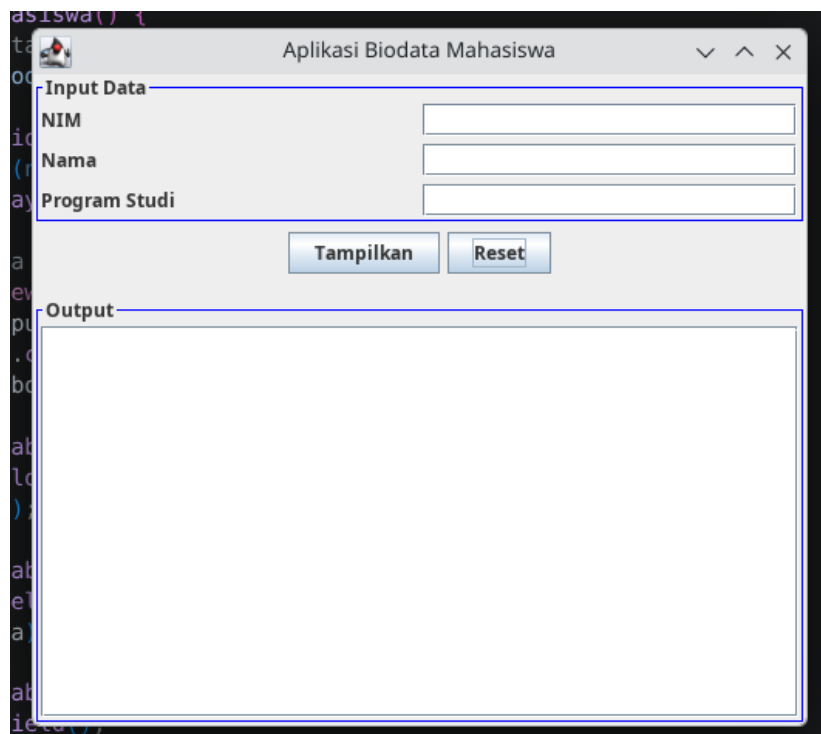

Below the input fields are two buttons: "Tampilkan" and "Reset".

Output:

===== BIODATA MAHASISWA =====

NIM : 20240040073
Nama : Luqmanul Hakim
Program Studi : Teknik Informatika

2. Reset

The screenshot shows the same "Aplikasi Biodata Mahasiswa" window after the "Reset" button has been clicked. The input fields for NIM, Nama, and Program Studi are now empty. The output section is also empty.
